Trusted Digital Asset & Wealth Solutions

Build wealth differently. Invest with confidence.

About Us

HODL OTC was established to bridge the gap between traditional finance and the rapidly evolving digital asset economy. As an Authorised Financial Services Provider (FSP 53723), we empower individuals, businesses and institutions with secure, compliant and personalised access to digital asset markets through institutional-grade infrastructure, deep liquidity and professional execution.

With more than 20 years of combined industry experience, our team brings together expertise in financial services, digital assets, compliance and wealth management to deliver trusted solutions tailored to each client's unique objectives. We are committed to building long-term relationships founded on transparency, integrity and exceptional service.

At HODL OTC, we understand that every wealth journey is different. Our client-first approach focuses on delivering personalised digital asset and wealth solutions that help clients build, preserve and diversify their wealth with confidence in an evolving financial landscape.

Our Solutions

HODL OTC OFFERS A COMPREHENSIVE SUITE OF SERVICES DESIGNED TO MEET DIVERSE NEEDS IN THE DIGITAL ASSET SPACE:

OTC DIGITAL ASSET TRADING

Professional over-the-counter (OTC) trading for individuals, businesses and institutions seeking secure, discreet and efficient execution. Our experienced trading desk provides deep liquidity, competitive pricing, personalised service and seamless settlement for transactions of all sizes.

DIGITAL ASSET WEALTH MANAGEMENT

Helping clients build, preserve and diversify wealth through tailored digital asset strategies. We provide personalised solutions designed around each client's objectives, liquidity requirements and long-term wealth goals.

DIGITAL ASSET CONCIERGE

A high-touch, personalised service designed to simplify every stage of the digital asset journey. From onboarding and account management to trade execution and ongoing support, our dedicated team delivers a seamless client experience.

CORPORATE TREASURY SOLUTIONS

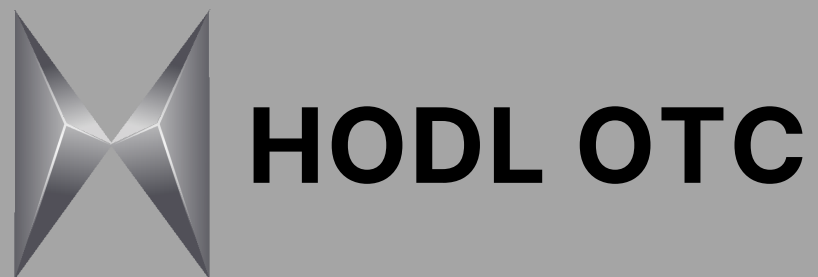

Supporting businesses with digital asset treasury strategies, liquidity management and portfolio diversification. We help organisations integrate digital assets into their treasury and balance sheet strategy.

INSTITUTIONAL LIQUIDITY & PROFESSIONAL SERVICES

Purpose-built solutions for financial advisers, wealth managers, family offices, trusts, corporates and institutional investors.

ALTERNATIVE INVESTMENT ACCESS

Beyond digital assets, we provide access to carefully selected alternative investment opportunities that may complement diversified portfolios, subject to client suitability, regulatory requirements and availability.

Why HODL OTC?

At HODL OTC, we combine the innovation of digital assets with the professionalism, governance and integrity expected from an Authorised Financial Services Provider. Our solutions are designed to provide secure, compliant and personalised access to digital assets for individuals, businesses and institutions, supported by experienced professionals and institutional-grade infrastructure.

Authorised & Regulated: HODL OTC (Pty) Ltd is an Authorised Financial Services Provider (FSP 53723), operating within South Africa's regulatory framework. Our commitment to compliance, governance and transparency provides clients with confidence throughout their digital asset journey.

Institutional-Grade Execution: Our professional OTC trading desk provides deep market liquidity, competitive pricing and efficient execution for transactions of all sizes. Every trade is managed with discretion, precision and personalised service to deliver a seamless client experience.

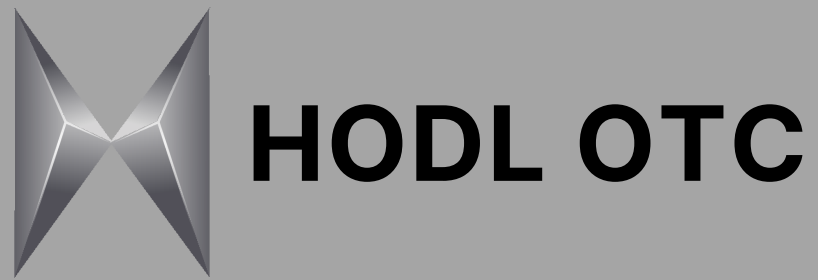

Personalised Relationship Management: Every client is supported by a dedicated team that understands their unique objectives. Whether you are an individual investor, corporate treasury or institutional client, we deliver tailored solutions backed by responsive relationship management.

Secure & Compliant Infrastructure: From client onboarding and verification through to trade execution and settlement, our operational processes are built around security, compliance and efficiency. We are committed to protecting client interests while delivering a smooth and trusted experience.

Wealth-Focused Digital Asset Solutions Our approach extends beyond trade execution. We help clients access digital assets as part of a broader wealth strategy, providing solutions designed to support wealth preservation, portfolio diversification and long-term financial objectives.

Experience You Can Trust: With more than 20 years of combined experience across financial services, digital assets, compliance and wealth management, our leadership team provides the expertise and guidance clients need to navigate an evolving financial landscape with confidence.

Building Long-Term Wealth Partnerships: At HODL OTC, our focus is on building lasting partnerships rather than simply executing transactions. Through trusted advice, professional service and a commitment to excellence, we help clients participate confidently in the evolving digital asset economy.
